## PROGRAM INFORMATION

Efficient and effective hatchery and breeder operations play a critical role in a poultry company's success. Attending USPOULTRY's 2025 Hatchery-Breeder Clinic is one of the most informative ways to keep your hatchery and breeder managers up to date on the latest technology, equipment, and effective management techniques.

USPOULTRY<sup>®</sup>  
U.S. POULTRY & EGG ASSOCIATION

This year's seminar, developed by a panel of hatchery-breeder specialists, will address such topics as Managing Bacterial Load in the Hatchery; Starting Your Chicks Off Right - Incubating for Today's Embryo, Improving Hatchability from Transfer to Pull, Holding and Transportation; Feeding Today's Pullets for Overall Performance; The Ins and Outs of Biosecurity; and much more. To stay up to date on how to increase performance and quality throughout your hatchery and breeder operations, attend this valuable seminar.

Register today!
